

The Results:²

The Assured Direct Care DPC health plan for this insurance administration company delivered impressive results across the board.

Healthcare solutions for any size company!

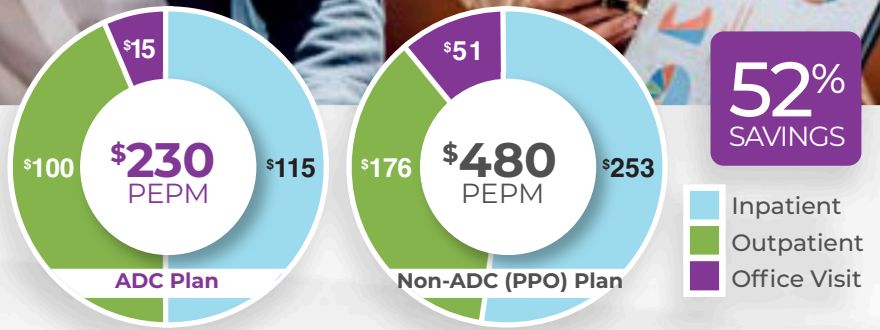

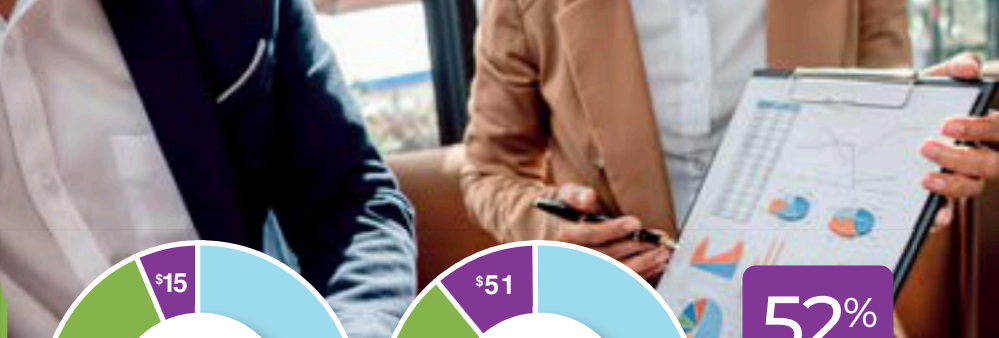

Assured Direct Care's healthcare plans - whether standalone, paired or positioned side-by-side with other solutions - are a cost effective way for business owners to provide top-quality, affordable health benefits to their employees. We can also customize any of our plans, and recommend other healthcare solutions that fit affordably with direct primary care.

Business clarity in healthcare.

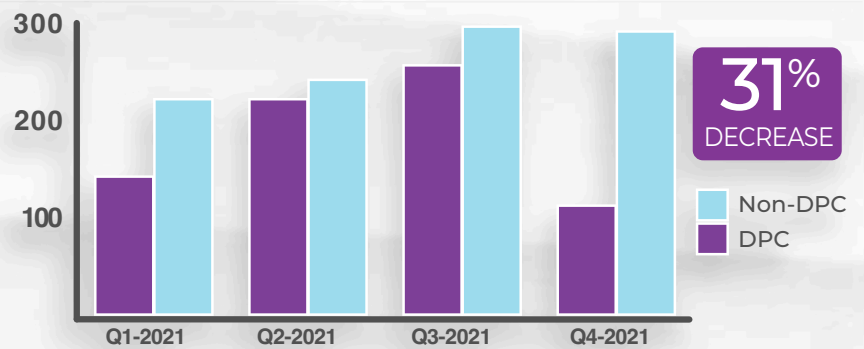

It makes sense with Assured Direct Care! Saving money for employees and employers.
